Sub: Considering Special room – non availability of twin sharing room at Apollo Hospital, Nashik

*Respected Sir/ Madam,*

This is concerning the situation all ONGC Employees from Nashik District are facing for the past few years. As Apollo Hospitals, Nashik has been empaneled on ONGC's medical panel from past few years with almost 350 employees and 1200 dependents taking services across the entire district.

A major issue are being facing for the entire time is that non-executive employees are entitled to a twin-sharing room if the situation of admission in hospital arises for the employee and dependents alike. Since the hospital is not equipped with the facility of twin sharing room, instead of upgrading the patient to a special room, the authorities degrade and provide the admission to a general room.

Henceforth, on the employee's behalf, it is advised to review the contract for ONGC employees since such a vast revenue is being put in by the Company and amend the necessary changes which would result in up gradation to special room whenever the situation arises.

Thanking you with anticipation.

Yours Faithfully,

(Santosh J. Patil)  
General Secretary
